

## a way to WIN MUM'S HEART

**Every baby is cute, but with statements like My Mum is a Hoot, From Mum with Love and I heart Mum Beary Much, a Lollipop Baby will win every mum's heart on Mother's Day this year!**

Lollipop Baby label is gearing up babies from three to 18 month-olds with its special edition onesies and t-shirts for this year's Mother's day. Just like our other designs, these designs feature tongue-in-cheek pop-culture references and bright, cheery designs that reflect the little ones wearing them.

The collection is available online from <http://www.lollipopbaby.com.au> from 1st April 2009, for AU\$24.95 each. Our delivery cost is only AU\$3.50 Australia wide (flat rate).
